POST SHOW REPORT

December 05 - 07, 2024

Bombay Exhibition Center, Mumbai

The 1st edition of the **Inter Dairy - International exhibition and seminar for complete value chain of dairy industry** organised during December 05 – 07, 2024 at the Bombay Exhibition Centre, Mumbai lived up to its expectations of the industry stakeholders.

Inter Dairy 2024 organised by VA Exhibitions Pvt. Ltd. in association with the Indian Dairy Association (West Zone) witnessed an overwhelming response, attracting over 4,500 visitors from across the Indian dairy industry, including professionals, dairy farmers, dairy product manufacturers and other key industry stakeholders. With 130 exhibitors showcasing the latest innovations in dairy production, processing, testing, packaging, etc., the expo successfully highlighted the sector's promising future.

The expo was officially inaugurated by **Dr. R. S. Sodhi**, President of the Indian Dairy Association (IDA), who spoke about the crucial role of technology and innovation in transforming the dairy industry. The inauguration was further graced by the presence of esteemed guests, **Mr. Mansinghbhai Patel, Chairman of Sumul Dairy**, **Mr. Arun Dongale, Chairman of Gokul Dairy**, **Mr. Shamalbhai Patel, GCMMF (Amul)** and **Mr. Devendra Shah, Chairman of Parag Milk Foods**.

Concurrent to the exhibition, a two-day seminar was conducted. The event commenced with an inspiring welcome address by **Dr. J. B. Prajapati, Chairman of IDA (WZ)**. He set the tone for the event, emphasizing the importance of innovation, sustainability, and collaboration within the dairy industry to meet global challenges and opportunities. Topics ranging from policy makers meet for promotion of exports, organics, innovations, White revolution and export promotion, support schemes, safety and sustainability were discussed following with "Milk Vita" student quiz contest.

One of the key attractions of the event was the Inter Dairy Awards, which recognized outstanding achievements in the dairy industry across various categories. The awards celebrated excellence in dairy farming, innovation, sustainability, and product quality, further emphasizing the industry's commitment to growth and development.

The expo also featured cutting-edge innovations that promise to shape the future of the dairy industry. From automated milking systems to AI-powered quality control tools, these technologies highlight the industry's drive toward increased efficiency, sustainability, and product quality. The event served as a launching pad for many new products and services, with exhibitors unveiling the latest solutions to meet the industry's evolving demands.

The collaboration with the Indian Dairy Association (IDA, WZ) further elevated the expo's impact, making it a landmark event for the industry. As the event concluded, the anticipation for future editions of Inter Dairy Expo grew, with a renewed focus on technology, sustainability, and industry collaboration.
